

Sunday Teams

2024/2025

Benefits of serving on a Sunday Team:

- **Serving is *part* of your routine, not an interruption to it.**
 - Everyone makes a yearlong commitment to a specific role.
 - The same few people serve every week (adding blockout dates when unavailable).
 - Substitutes will always be on standby.
 - Simplified scheduling means Laura can divert scheduling time to other ministry.
- **Greater opportunity for leadership to multiply.**
 - Individuals grow in proficiency through serving for a prolonged period of time.
 - Proficiency instills confidence to teach others!
- **Relationship with Jesus and His people strengthened.**
 - You will serve the mission of Lazarus Church in an indispensable way.
 - You will build deeper relationships with the 20+ people on the team.
 - You will challenge & grow your faith by regularly participating in Circle Time.
