

Sunday Teams

Benefits of serving on a Sunday Team:

- **Serving is *part* of your routine, not an interruption to it.**
 - Everyone makes a yearlong commitment to a specific role.
 - The same four people serve every week (adding blockout dates when unavailable).
 - Three designated substitutes will always be on standby.
 - Simplified scheduling means Mark & Laura can divert scheduling time to other ministry.
- **Greater opportunity for leadership to multiply.**
 - Individuals grow in proficiency through serving in one area for a prolonged period of time. For ex: everyone who serves on the "Worship Space" team will gain a general knowledge of setting up A/V equipment, running ProPresenter, etc.
 - As understanding of the responsibilities of your team grows, so will your confidence to teach new people how to serve in that role.
- **Other benefits**
 - You will serve the mission of Lazarus Church in an indispensable way.
 - You will build deeper relationships with the 20+ people on the team.
 - Participating in weekly Circle Time (at 9:30) will challenge and grow your faith.
